

Commerce, on September 21–23, 1999. The committee and panel will also review the timeline for Amendment 13 to the FMP and outline specific management proposals for a stock-rebuilding program, including but not limited to days-at-sea management, gear reductions and area management. The meeting agenda may also include a review of the technical responses to questions raised by the committee at its June 17 meeting about the scientific basis for the current cod stock boundary delimitation.

Although other issues not contained in this agenda may come before this Council for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice.

Committee for the Implementation of Textile Agreements

July 27, 1999.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on November 3, 1998, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, wool and man-made fiber textile products, produced or manufactured in Jamaica and exported during the twelve-month period which began on January 1, 1999 and extends through December 31, 1999.

Effective on August 3, 1999, you are directed to increase the guaranteed access levels for the categories listed below for the period beginning on January 1, 1999 and extending through December 31, 1999.

Category	Guaranteed access level
338/339/638/639	2,500,000 dozen.
352/652	11,500,000 dozen.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.
